WILSON MEMORIAL AUDITORIUM

This year one of Miss Morrison's many duties included guiding Porterville's finalists for foreign exchange student, Kathy Rankin and Carolyn Cox.

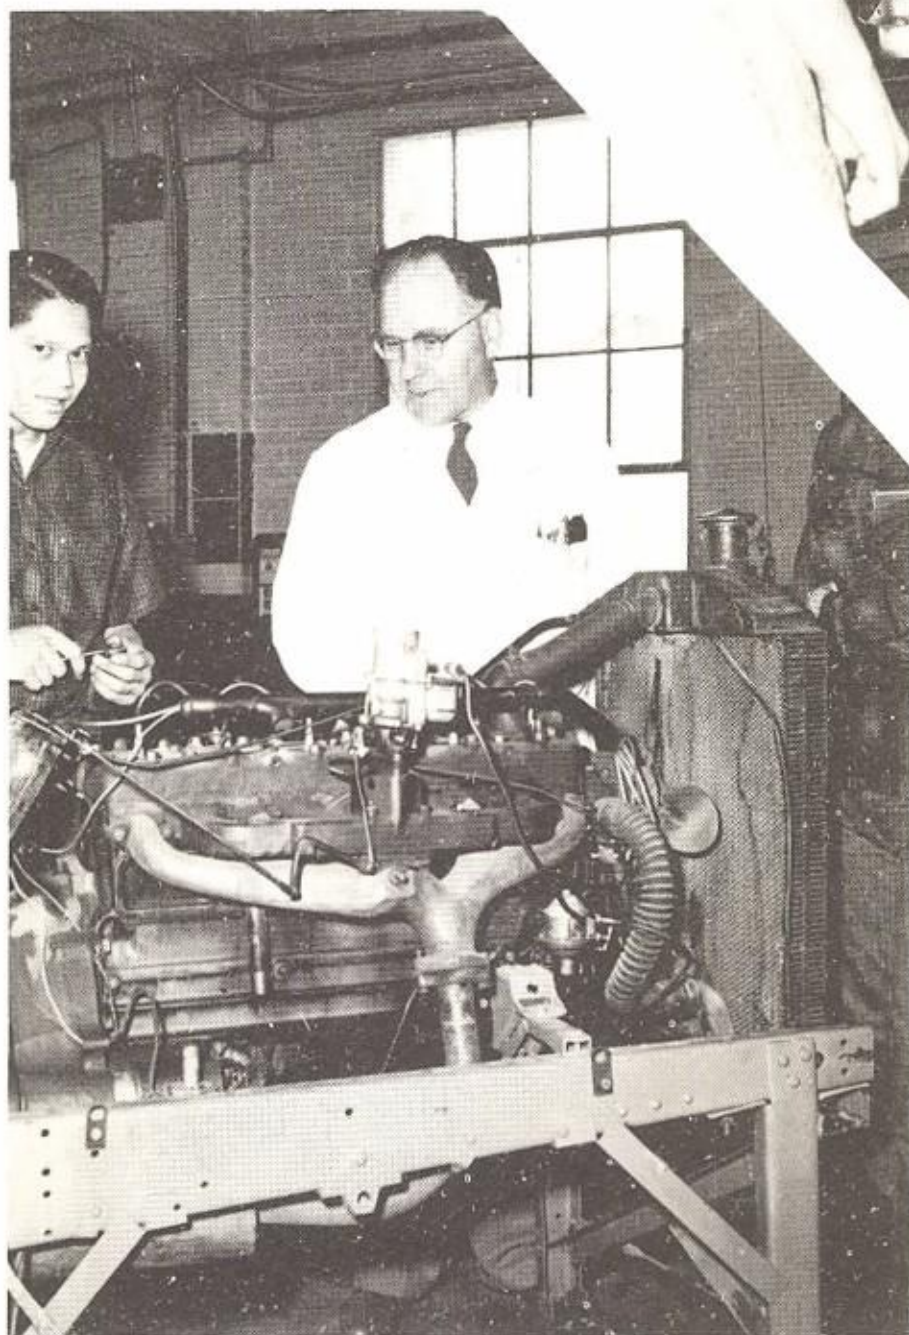

DEDICATION

Few girls in Porterville High School haven't had the experience of being counseled and encouraged by our Dean of Girls, Miss Leola Morrison. Through the years, Miss Morrison has thoughtfully served our high school as a teacher, a counselor, and an advisor to many of our clubs. Presently she is the head of the American Field Service exchange student program in our school and is in charge of Girls' Attendance. We feel honored and are proud to dedicate our 1962 El Granito to a devoted teacher, our Dean of Girls, Miss Leola Morrison.

HONOR

This picture of Mrs. Drollinger portrays her with a great deal of accuracy-instruction with a smile. Since 1955, she has taught hundreds of girls the fundamentals of homemaking. During all this time, Mrs. Drollinger has handled her classes with efficiency and patience. Because of her contributions as a home economics teacher plus her additions to the extra-curricular activities of P.U.H.S concerning both the students and the faculty, the El Granito Staff is proud to honor Mrs. Drollinger.

HONOR

Since 1927, thirty-four long and profitable years, Mr. Gibson has passed along his knowledge of auto mechanics to a countless number of P.U.H.S. boys. From all his former students he has constantly won lasting admiration. Along with his obvious success as an instructor, Mr. Gibson has been an active participant in our Faculty Club--serving on various committees and as past president. Away from P.U.H.S. Mr. Gibson has won national recognition for his prize-winning Iris. With pride we honor Mr. Gibson in our '61-'62 yearbook.

Many and varied are the duties of P.U.H.S.' Counselors. Mr. Ed Landgraf, Junior Counselor, assists Jennifer Goux and Jane Muller with the plans for the Junior-Senior Prom.

One of the most important responsibilities of Mr. Bob Donley, Senior Boys' Counselor, is to advise seniors in their choice of a college.

COUNSELORS

Mr. Bob Smith, Freshman Boys' Counselor, checks the transfer of a new student with our registrar, Mrs. Fanchon Muller.

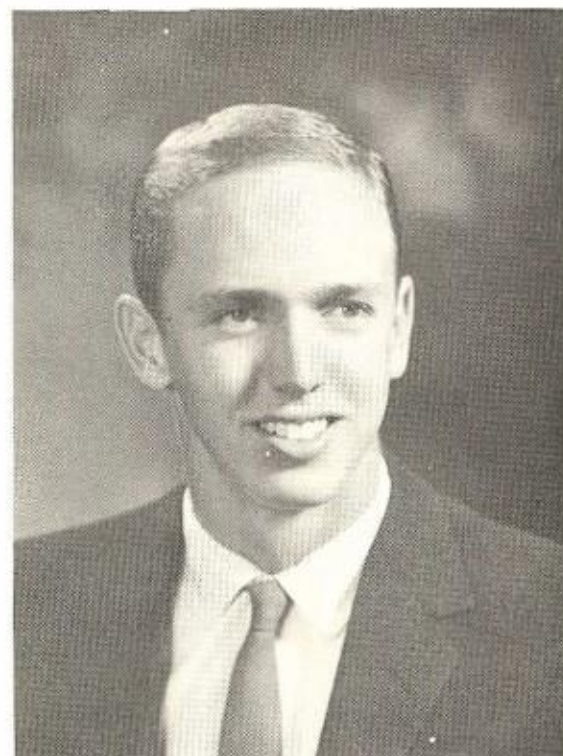

For productive years at high school, Mrs. Elizabeth Moore, Freshman Counselor, realizes that it is important to rapidly orientate the freshman.

CLASSES ENGAGE IN

SENIOR CLASS OFFICERS

For the past four years, the class of '62 has been actively patterning its future. With June and graduation, each member will go his own way; but with him he will take many memories of his high school days and especially of his senior year -- the Prom, the Senior Play, Blossom Day, Graduation, and the Graduation Party.

MANY ACTIVITIES

This boy needs a Casey Coffin.

BOTTOMS UP: Big Fat John climbs out of the mine.

Warm-ups before the Big Game.

Hot music was a special attraction of the Senior Assembly.

It's the year 2012 - two graduates of the class of '62 are busy reminiscing over the "Oldies, but Goodies," during their senior year. Remember Ron Frankum singing the theme song? Remember Norman Moore and Judy Aanestad doing that dance craze of the sixties - the Twist? It all happened and more in the Senior Assembly.

SENIOR ASSEMBLY

A few of the senior boys doing their version of "Big Bad John."

The winning coach carried off the field.

Dale Brown gives another one of his famous monologues.

Our Foreign Exchange student, Juan Telli, performs at the piano.

SENIOR

Jan Hanggi portraying Elvira, the spirit of Charles' first wife.

Ruth, Charles' second wife, as played by Carolyn McIntyre.

On December 1st, the Drama Department, under the direction of Mr. Charles McCulloch, presented a unique performance of the "Blithe Spirit." Unusual lighting effects and extreme makeup created for the play, a comedy hit by Noel Coward, a rare quality.

Fred Smith as Doctor Bradman.

Madame Arcati, as portrayed by Shirley Potter.

Janice Work

JUNIOR PLAY

Perhaps the date, Friday, April 13, proved to be unlucky for many butto the cast of the Junior Play, it was a most memorable "lucky day." On this evening, the curtain rose slowly as all in attendance waited eagerly to see the lighthearted comedy, "My Three Angels."

The action of the play takes place in the French Guianas in December of 1910 and centers around the family of Ducotel plus three lovable convicts. These are "My Three Angels" who manage to keep laughter alive throughout the entire production.

Under the direction of Mr. Charles McCulloch, the cast portrayed their individual parts in a manner that expressed pleasure plus an effort to please. And please they did for from the exuberant audience attending came unrestrained laughter and easy applause.

Marie Louise seems to be bored by Mme. Parole's weird antics.

The "three angels" sing a soothing lullaby to the young lieutenant.

Having finally achieved the rank of upperclassmen on their journey to the top, the Class of '63 has made this year one to be remembered. The year was started off with the proud acceptance of the Junior Class Rings. Later came the Junior Class Assembly -- the best ever, but only a sample of what this class has to offer. The Junior Play was well received and won acclaim by both the students and townspeople attending. Due to many hours of planning and labor, the Junior-Senior Prom was declared a huge success. Winding up their busy year as Juniors, this class now looks forward to a profitable and eventful year as the SENIORS of '63.

SOPHOMORE ASSEMBLY

The roar of a lion, the chatter of monkeys, the beat of the drums, the native dancers, the magic of witch doctors - this is "Africa by Night." Bordered by a warrior in native costume, and a khaki-suited hunter, the Sophomores presented their class assembly. For the first time, the Limbo was exhibited on the auditorium stage and it proved to be sensational. Students in native costume, performed not only the Limbo, but many other exotic dances - one of them being the Twist. One of the most unusual songs of the season, "My Boomerang Won't Come Back," was pantomimed by four girls attired in leopard skins. The audience responded enthusiastically to the lyrics. The assembly ended with an unusual monologue which stunned the listeners. It can be said that this year's Sophomore Assembly was unique.

"If you want your boomerang to come back, well first you got to throw it."

A unique monologue by Tex.

The Class of '64, promoted from the lowly ranks of Freshman, have made this a most successful and profitable year. Although their annual social schedule is not the busiest, they have proved to P.U.H.S. that it's quality, not quantity that really counts. The Sophomore Class Assembly was presented in a truly professional manner and was a topic of great interest. They also participated in their annual class picnic.

No longer are they the "greenhorns" of their Freshman year but have now grown accustomed to the high school way of life. They have used their Sophomore year to settle down and really get into the "swing" of things -- both educationally and socially.

PLAYER OF THE YEAR

Hershel Ross
co-captain

Joe Carrillo

Clark Londquist

Mark Gartung was given the Williams Jewelers award for the Most Valuable Player. According to Coach Sim Iness, Mark was one of the most promising players he had ever coached. Mr. Iness went on to say that he expected Mark to go on to a good four year school and play a lot of football.

Mark's leadership ability was noted by his teammates who elected him co-captain. All these attributes combined with a fine scholastic record made him an appropriate choice for Player of the Year.

The Varsity squad, coached again this year by Mr. Sim Iness and Mr. Bob Bottoms, showed great promise and tremendous possibilities at the beginning of the season. The team started out very well with three wins including one over highly rated Fresno High.

The attacks were led by several excellent running backs including Greg Boyer, Doug Wells, Hershel Ross, and Cliff Brown. These boys were handled and co-ordinated in a professional manner by their outstanding quarterback Joe Carrillo who might have played "B" class ball this year. Showing great promise on the line were Colin Cornelius, Clark Londquist, Ron Frankum, and,

of course, the Player of the Year Mark Gartung. Also showing very steady work on defense were Danny Roberson, Norman Millard, Phil Velie, and once again Greg Boyer and Mark Gartung.

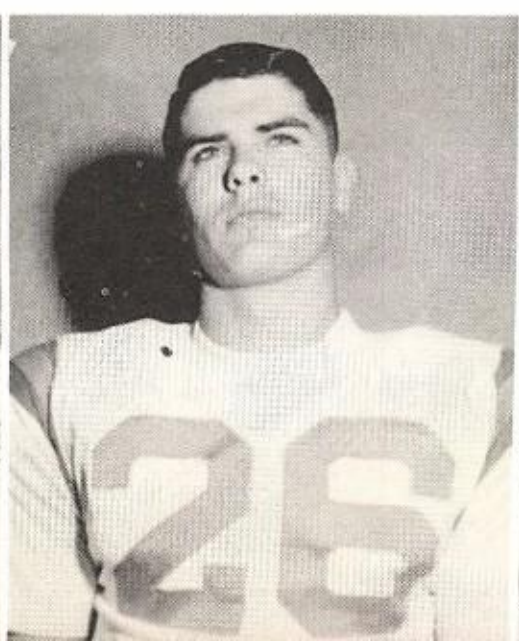

The fine promise shown by the team sent hopes to an all time high going into the fourth game. However, due to key injuries, they lost to Tulare. They bounced back again and beat Delano, who eventually won the championship. However, the attack once again started to slow as the Panthers showed they had what it takes by stomping Hanford 41-0. Although the record doesn't show it, the team was among the best to be fielded by Porterville High School.

"B" CLASS

Hats off to the "B" Class, they are the Central Yosemite League champions! This year's squad showed the speed and depth necessary for a winning team, and win they did! The "B"s proved this in their crushing wins over Arvin 38-12 and Whitney, 47-0.

Even though Coach Bob Otto, assisted by Mr. Bill Hatch, has had many fine teams in the past, this year's squad must shine through as his finest coaching achievement.

The fighting spirit displayed by the squad has undoubtedly made its opponents blood run cold. Next year's Varsity squad will be blessed with some fine athletes from this year's "B" class who will help bolster the attack.

Freddie scores another easy one.

The Panther Kittens, under the guidance of Coach Herrel, experienced a good season this year. They discovered that it wasn't necessary to win their games to learn something. Mr. Herrell felt that the Kittens showed a great deal of promise for the future and that many of them will undoubtedly scratch their way to a spot on the Varsity and B teams. Leading the team throughout the season in good sportsmanship were co-captains Ruben Gonzales and Ron Taylor. This year's "C" Class football team was an outstanding group of boys paving their way to great things in their football future.

Coach Rodger Bosshart

Although the record for this season was not too impressive, the C Reserves showed the fighting spirit of champions. Next year's C and B classes should benefit from the experience gained by these players during the year. Mr. Rodger Bosshart, a new member to the faculty, took the responsibility of coaching this C Reserve team which was initiated to give more boys a chance to play.

JUNIOR VARSITY

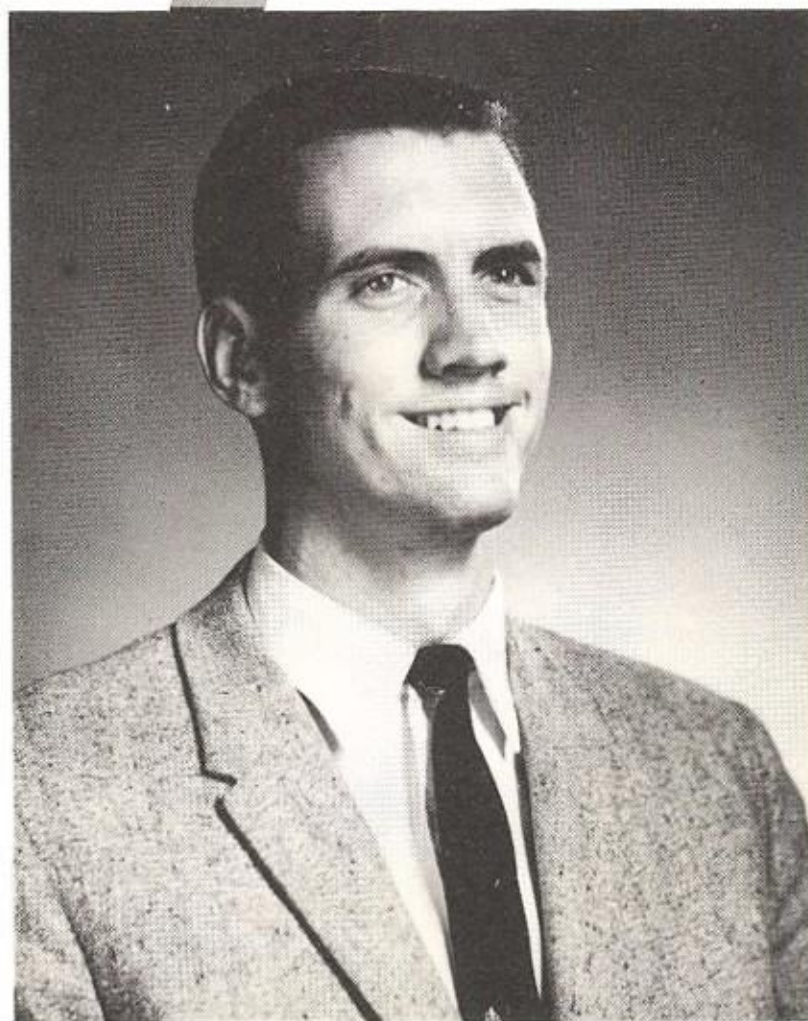

The Porterville High School Junior Varsity, composed of next year's Varsity material, had a good season this year - winning four and losing three. Much of the team's success must be attributed to the fine coaching of Mr. Lowell Semans, and Mr. Darryl Williams.

The boys on this year's squad showed a surprising amount of ability as evidenced by their recovery from the first three losses to stage a four game winning streak to finish out the season. Next year's Varsity will benefit from the the experience which these boys have acquired through hard work and expert coaching.

"B" RESERVES

Showing the ability to really dig in and fight, the B Reserves had a very profitable season. Under the direction of Mr. Joos, they learned the fundamental plays and procedures which they will use next year on the B Class squad.

The cats were playing to gain the experience necessary for "B" class players. They acquired this experience through vigorous practice sessions and in games against other "B" Reserve teams in the county. In these games the boys showed the courage and stamina of a Varsity squad, and with more practice will be valuable assets to next year's "B" class squad.

This year the Varsity Basketball squad played one of the toughest schedules of any team in the valley. At the end of the season, the team had an 8 win, 14 lost record.

While lacking in overall height, the team made up for it with plenty of hustle. No one at P.U.H.S. will ever forget the tremendous rally the Panthers staged in the final quarter of the South High game. After being behind by 11 points for three quarters they rallied to win by 1 point. At the Whitney game the whole gymnasium was on its feet for the overtime which resulted in a 1 point loss for P.U.H.S. after the ball got caught in the net. Then the team went on to score a record number of points against Redwood.

The team marched through the season playing beautifully the whole time, as they set several records and tied one previous record. By scoring 83 points in one game the Panthers tied the school scoring record and set a new varsity scoring record. By making 34 shots from the floor in one game the team set a new record again.

Buzzy Stephen is successfully rebounding another one for Porterville.

Coach Bob Otto

Although the Junior Varsity record was not outstanding, there are several good prospects for next year's Varsity. The most outstanding player of this year's squad would be Don Mourton who, along with Dan Andrighetto, guided the team as co-captains. Ron Carter and Ken Speer showed a lot of promise. With a little confidence, Ron could prove to be the better of the three.

The real problem with Coach Bob Otto's squad was shooting. Their field goal percentage was be-

low par, but from a fan's point of view they made up for this by their fine spirit and hustle.

Coach Otto felt that the team's best efforts were in losing causes against Mt. Whitney and Hanford. The 38-31 victory over Redwood was most impressive, and saved the team from a last place finish.

Next year's Varsity should benefit from several fine players promoted from this year's team, and the JV's should be stronger with the help of some returnee's.

Champions overwhelm league opposition! In winning the League title, they remained unbeaten for the second consecutive year, and finished with an 18 and 1 overall record. This team further distinguished itself by leading the league in offense and defense, as it did last year.

The team had many stars, the most outstanding of which was Paul Simpson, an excellent candidate for next year's Varsity. Paul led the team in scoring, rebounds, and defense. Another key player was Terry Cox, the most improved boy on the squad, who was third in team scoring and rebounding and was a tremendous competitor.

Much of the team's success must be attributed to Mr. Len Miller's fine coaching ability, with perhaps a little outside help from his "lucky suit." Although Coach Miller has been in Porterville only two years, he has brought us two championships, and established himself not only as a fine coach, but a character builder as well.

C CLASS KITTENS

The "C" class Panther Kittens played to a third place in the league for the 1961-1962 season. Under Coach Rodger Bosshart they finished with a respectable 6 won, 4 lost record.

The team played consistent ball throughout the season, not having any real winning or losing streaks. This shows the Kittens were a steady and reliable

team, putting out a lot of effort in all of their games while fighting for third place.

Coach Bosshart in his first year at P.U.H.S., had a successful season, in that he placed his team among the top in the league, yet still may use it to build on for future teams. The boys on the team may be proud of their record, and should look forward to participating even better next year.

GOLF

At this writing, it looks as though the Golf team will enjoy a very successful season. The team is in second place and has maintained its record of never having lost a match on the home course.

The top three point makers have been Dennis McCuen, the number one man, Randy Knight, and Hershel Green. One of the highlights of the season was during the League when Dennis McCuen shot a record-breaking three under par 31 for nine holes against Mt. Whitney.

Those who have helped the squad and are improving continuously are Claude DeSoto, Armando Martinez, and Terry Moore. Graduating Seniors on the team are Dennis McCuen, Hershel Green, Dennis Wright, and Alva Wallace.

Coach Tracy Armstrong says, "Next year's team participants should devote as much time as possible to improving their game during the summer months. The great attraction about golf is that it is an active sport which can be enjoyed for a lifetime."

This year's Cross Country team got off to a slow start, but gained on every team in the league by the end of the season. Two seniors, Don Christenson and Eddie Ball led the team throughout the season in their workouts as team captains. The Varsity team was comprised of three seniors; Don Christenson, Eddie Ball, and Larry Miller, Juniors Jack Smith and Andrew Hicks, Sophomore Jim Hammond and Freshman Jesse Valencia.

The team ended the season on a high note by placing second behind Delano in the league meet. The highlight of Porterville's showing came when Larry Miller placed second right behind Jiminez of Delano. Miller also highlighted the season by placing seventh among an estimated group of one thousand runners in the Valley meet.

In spite of the fact that this was Miller's first cross country season, he broke every record at P.U.H.S. He was the running captain throughout the season.

This year's cross country team proved to be the finest squad Porterville has produced, with all returning lettermen looking forward to next season.

Coach Tracy Armstrong

TRACK

The Track team this year started the season off with four big bangs. By taking North High and Corcoran easily they showed early season promise. The Tulare meet started off slow but finished with a very definite air of victory. At Mt. Whitney the B and C classes scored easy wins, but the Varsity was edged by less than ten points. However, the overall score showed Porterville a winner by a good margin.

The team has some very good distance and dash men. It is strong in the field events outside of the broad jump, and has a fair hurdling team after several years of absences in this event. The team has no real record breakers, yet is very good in several events. Among these events are the dash with Frost, Childs, and Mabs running neck and neck. In the weight events the Wells brothers and Gartung stand out along with Boyer, Todd, and Cox. Lallanne, Yeager, and Simmons are showing promise, reliability, and depth in the plover vault, while Frost, Hunt and Speer have outjumped their colleagues in the high jump. In the hurdles, five men stand out, three B's, and two A's, being Hunt, Johnson, Pritchett, Burger, and Canfield.

The B and C teams are both very strong winning handily in nearly all of their meets except the large invitationals. The Varsity does not have the depth that the other two teams have, but does very well in spite of the fact and should turn out much better performances during the peak of the season.

The Porterville Wrestling team had an eventful season and in some instances an impressive one. The team made a very good showing of itself in gaining a tie with Tulare, who placed first in the league. We placed fifth and finished with a 5 win 7 loss, 1 tie, overall record. This is a fine record considering that half of the Varsity wrestlers were first year men.

The Varsity suffered by the loss of Bobby Perez, who broke his collar bone in the match with South High. He will be back next year as will eight out of twelve varsity lettermen. Van Smith and Gary Dove were two of the better first year men. Larry Brown, a J.V. this year, is a good prospect for Coach Darryl Williams' Varsity.

In the league tournament, several grapplers placed very well. Bob Floyd placed 2nd and Tom Jewell placed third. Mark Gartung scored first in League and then went on to capture first in the Valley, which is an outstanding feat.

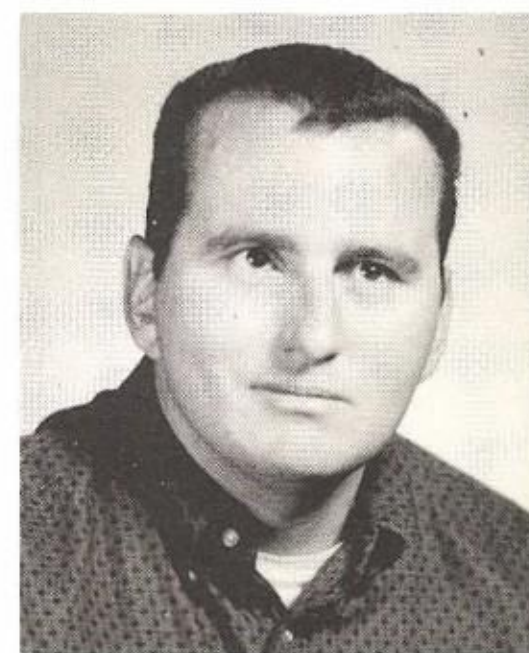

Even though the team was injury plagued and there was a lack of veteran material the team provided the fans with many a thrill, and next year's team should be in strong contention for the championship.

SWIMMING

Swimming season this year showed a real interest in the sport on the part of the Freshmen. The Freshman class has donated some real go-getters to the school team. Meanwhile the rest of the school continues to display its talent up at the local pool.

Last year the team and its coach had to go through a "get acquainted" process besides the usual routine of swimming, consequently the team didn't quite show the ability it possessed. This

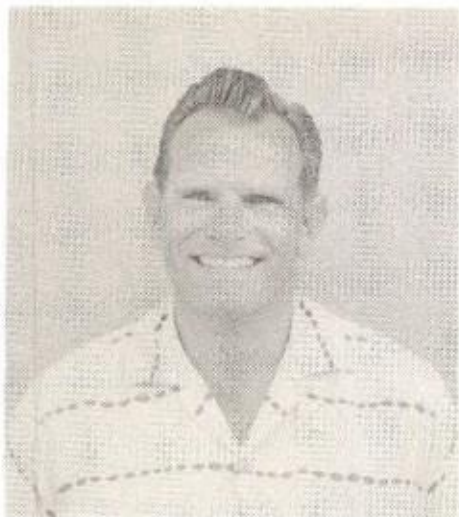

year's team knows its coach and the coach knows his team, added together they should make a real showing in the league. The swimmers have shown they have confidence in their coach by working harder than ever for him.

The team doesn't seem to have any real standouts, but as a whole is very good. The end of the 1962 swimming season should prove that P.U.H.S. has a fine swimming team.

The year 1962 produced a great baseball team for Porterville Union High School. Through the expert coaching of Bill Hatch, the team went through a successful season. The pitching staff, consisting of Buzzy Stephen, Jerry Brooks, Don Wheeler, Chris Wheeler, Gary Highfill, etc. showed excellent speed and good control all season. The team shows a lot of promise for the rest of the season. If for some unforeseen difficulties they should end the season with a poor record, they will have gained a full season of valuable experience necessary to produce an excellent baseball team.

Several players were back from last year to start the season. They were: pitchers, Gil Peralta and Sal Olmedo; catchers: Bill Wilcox and Jerry Hall; infielders, Doug Giddings, Don Brazell and Dennis Dunbar. A real fine group of Sophomores came up and proved themselves capable of playing J. V. ball.

The outlook for Coach Ron Kavern's team next season is bright with several good prospects coming up to strengthen the returnees.

FROSH BASEBALL

Several early season losses, many in the last innings, were due to single mistakes caused by inexperience. Larry Stafford lost a heart-breaking 2 to 1 decision against Tulare in the 13th inning.

The Frosh walloped Mt. Whitney 9-3, featured by a grand slam homerun by Bill Nicholson, who also pitched.

Coach Bill Joos is attempting to correct the mistakes that cost him several ball games at the beginning of the year. As the season progresses, the players are showing a lot of hustle and are gaining some self-confidence. Their batting and fielding have already shown steady improvement and the remainder of the ball games should see us winning the close ones.

When I received the letter notifying me that I was going to be an exchange student to the United States, I thought that it would be the greatest experience of my life. The first thing I realized, as this came true, was the big difference between the two educational systems. I think that one of the most important things of the United States system of schools is its "school spirit." I enjoyed school life as well as the other activities, because during the year I have known many intelligent and learned people.

I think that more than a personal experience, this program of exchange is needed throughout the world. The problems between the countries are prevalent because we don't know and understand each other. The most valuable thing that we learn, is that every place in the world, there are youth that have much in common, and that we are hoping that there will be a better society for a better world. I want to express my gratitude to Porterville for providing me with the most wonderful year of my life.

ANGE STUDENTS

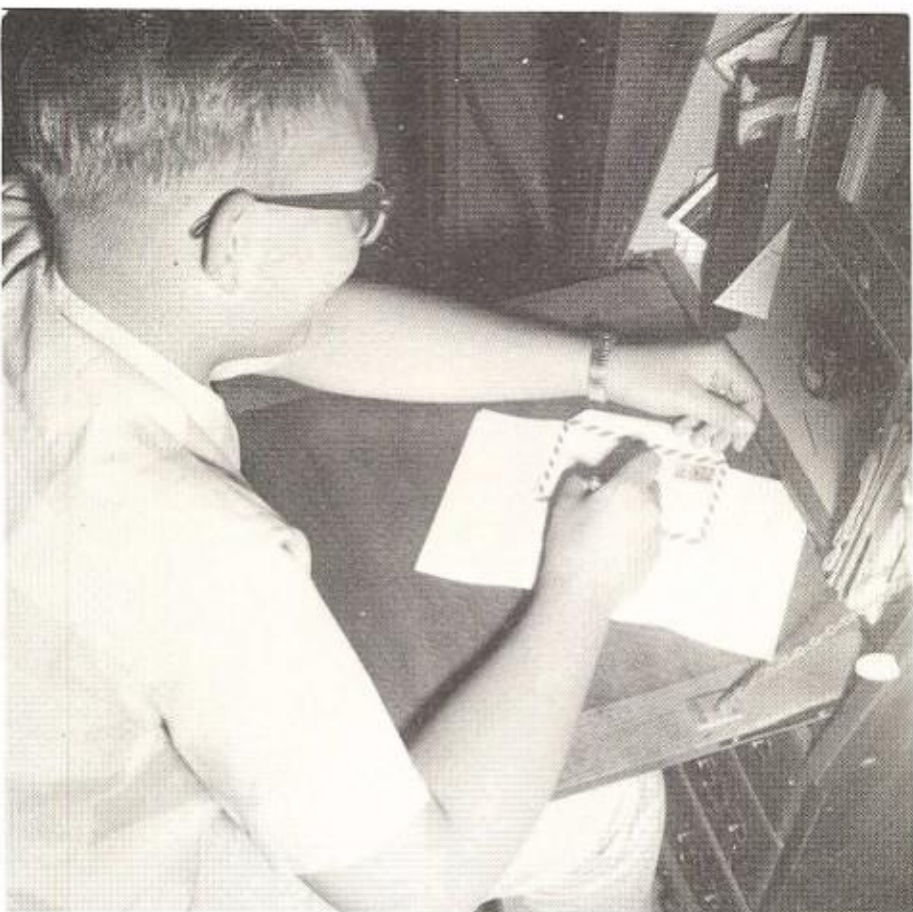

It was indeed an honor, which I greatly appreciate, to have been selected as an American Field Service Summer Exchange Student to the Netherlands this past summer. Living in such a superb family as the Kleinbussinks, has given me, at the very least, an insight into the customs and traditions of Holland and her people.

My "father," Mr. Kleinbussink, was a manager of a farmer's co-op in Ruurlo, the small town in which I stayed. Located in the heart of the "Achterhoek," in the province of Gelder and, this community was basically agrarian, so it was my opportunity to visit many cooperatives such as cheese, milk, and butter factories. Other activities too numerous to mention will remain a memorable part of my experiences with a family in Holland. Since my return, my two "families" have corresponded regularly, and we always enjoy hearing from the "Five Kleinbussinks." It is a bond of priceless friendship.

As always, our Panther Band has joined the ranks of the finest bands in California. Working in its usual tight schedule, the band has participated heavily in both civic and school affairs. It made a fine appearance at the annual All-Western Band Review at Long Beach and the California Music Education Association Festival. During Easter Vacation the entire group traveled to Fresno to take part in the Music Education Association Convention.

At the present time, the band is finishing an extensive effort to raise money to travel to Washington as California's official representative to the Seattle World's Fair.

Performing at half time of the football game.

The snapshots below and on the next page tell the story of an experience not soon to be forgotten by members of the Studio Band. The lower left picture shows the travelers preparing to embark on their adventure in the Orient; center, they catch some shut-eye between appearances; right, our boys experience the excitement of being T.V. performers.

THE FABULOUS STUDIO BAND

In the top picture, band director "Buck" Shaffer, playing the part of an ambassador of good will passes out wooden nickels as souvenirs from Porterville's Centennial Celebration. Next, Jack Lutz amazes many with feats of magic. Lower right, several band members try their luck on a Japanese fortune-teller; Center, a visit to a Buddhist temple in Okinawa; lower left, a few of the boys discuss the weather with an imposing character.

One of the obligations of a school is to assist the student in establishing a pattern for daily living. Encouragement is given to help create good habits of study, conduct, social relationships, and a consciousness of a necessity for getting along with others. Thus patterns, or guide lines, are formed which carry over into out-of-school life, and exert an unconscious influence on the student as he becomes the citizen of tomorrow.

As we reflect over the patterns of school life which are evidenced in our seniors as they prepare for commencement, we realize that a terminal point has been reached. Porterville Union High School has materially contributed to a way of living for this group, and it is hoped that the termination of high school training will be the starting point of a successful career for the entire graduating class.

C. W. Easterbrook
District Superintendent

A change in the pattern at P.U.H.S. is evident here as Mr. Easterbrook is pictured looking over the building progress of the new District Administration office.

THE ADMINISTRATION

"Change" is the keyword in the improvement of education. We must not adopt new ideas in education because they are new, but rather upon the basis of a reasonable opportunity that a new idea will improve education. New methods, new faces, new equipment and new buildings are merely out-dated signs of associated underlying changes. The important changes occur in our thoughts and actions.

I sincerely hope each of you has adopted new ideas and changed your actions in the direction of improvement as the result of your experiences at Porterville Union High School.

D. O. Howard
Principal

AT A POINT OF CHANGE: Mr. Howard is pictured between the "White House," soon to be replaced by the new Administration Building, now on the drawing boards, and the new air conditioning building.

In the year of 1962, Porterville Union High School is in the process of having its face lifted. Old buildings are being removed and new modern ones are rising in their places. Pictured above Dave, Ron, Sue, Signe, Holly, and Clay, the Senior Staff has just inspected the new home of the District Administration Office.

The band room has been remodeled and enlarged which was very much needed. A patio has been laid by the art building with a brick wall surrounding and enclosing it. "Operation Face Lifting" is hoped to be completed within a few years. The new campus will be a wonderful inspiration for future students.

PORTERVILLE UNION HIGH SCHOOL

THEY SET THE PATTERN

Guiding our school in all important matters is our able Board of Trustees, the elected representatives of the people of Porterville. Small in number, but mighty in spirit, these people determine and regulate all money matters and important policy decisions concerning Porterville Union High School and College School district.

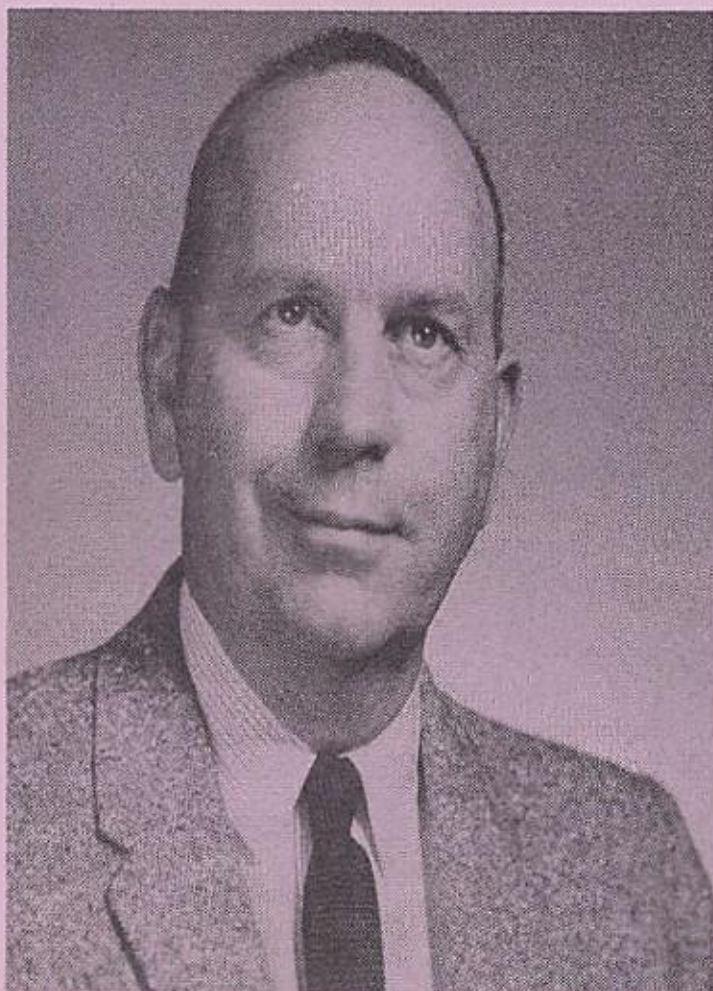

Mr. Clayton Castle
Business Manager

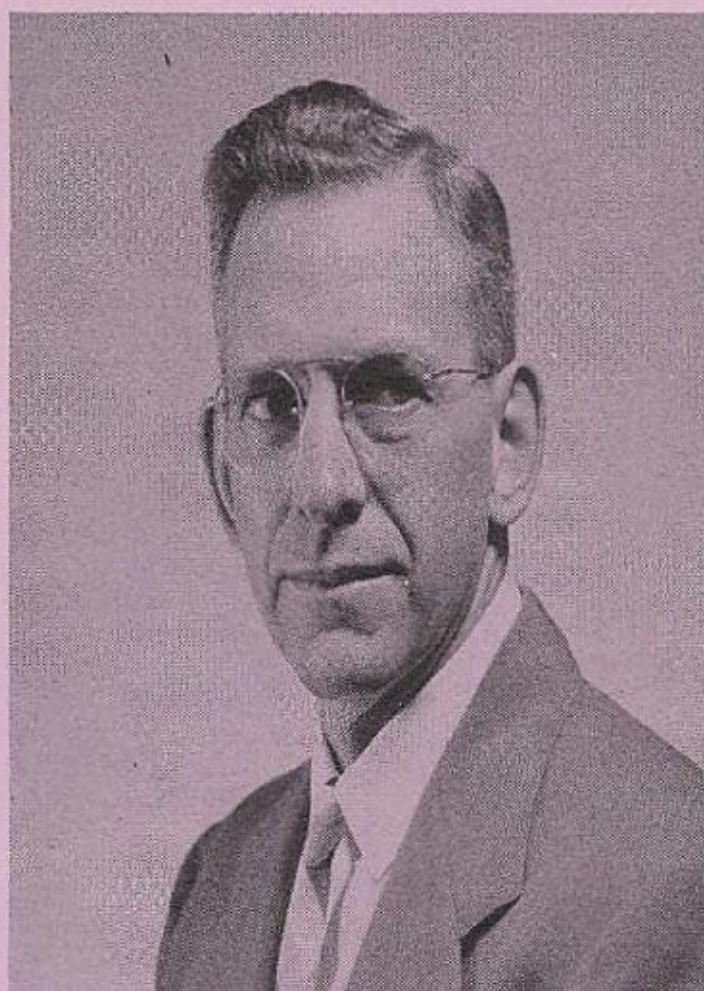

Board of Trustees: Mrs. F. L. Wiens, Mr. Harold Wilcox, Mr. Gordon Todd, Mr. John C. Moore, Mr. Edward B. Cornell.

Mr. E. R. Berryhill
Assistant Principal

Mr. Lewis Grimm
Dean of Boys and Attendance

Mr. Carl Faller
Dean of Student Activities

Miss Leola Morrison
Dean of Girls

A contraction of the words "Hungry i" and "Purple Onion," the Purple i Society gave birth to "The Eternal Journal." The "Journal" has brought to the school such literature as "On Sin and Champagne," pictures shot on location in the middle of Main Street and made "tough buns" a part of everyone's vocabulary. "The Eternal Journal" also brings an automatic rain-storm with each issue - to make it more "San Francisco-ish."

PURPLE PEOPLE: P. Frost, J. Frost, L. Keen, H. Patmore, L. LaPresta, C. Joannides, S. Rogers, C. Sheela, M. Mock, J. Joannides, A. Bratton, B. Falconer, C. Glaves, J. Davison, C. Cox, D. Simpson, P. Cone, S. Seaman.

Dan Nuckols
Student Body President

Today, in a world of fast moving times, leadership forms a pattern, which helps to develop each individual. This pattern is the influential key to the future of our country.

Your Student Council is an important link in the development of responsibility within the student toward his school and in his attitude toward government. These responsibilities are established through participation in Back-to-School-Night, Student Council Variety Show, and various award assemblies. Such activities also give the leaders of this school a chance to show their ability to work and carry out their duties.

With the capable guidance and assistance of Mr. Dale Harper and Mr. Carl Faller, the Council has had a very successful year. Speaking for the Council, I'd like to say it has been both an honor and a privilege to have represented you, the members of Porterville High School student body this past year.

Basketball, our most popular indoor sport, creates a great deal of excitement during the winter months.

Each year at the end of the season a Basketball Queen and her attendants are chosen. This year Marilyn Lewis was selected queen, with Janet Falconer and Gloria Morales her attendants. These lovely young ladies will reign until next year when three others will be awarded the honor.

With the beginning of school, students eagerly anticipate football season, for most of our first quarter activities revolve around football. The games always draw a large portion of the student body as spectators. The football queen and her attendants give the female half of the student body a chance to participate in the football season. Diane DePaoli, Sharon Giraudi, and Marilyn Lewis represented that importance in the Fall of 1962 very aptly.

Mrs. Clara Blevins helps many senior girls realize their vocational interests.

Miss Mary Sprott capably coordinates and organizes the Guidance Center and the curriculum for our studentbody.

Mr. Wil Wilenius, Sophomore Boys' Counselor, helps a wayward student back to good study habits and favorable grades.

Mrs. Marjorie Richardson believes that frequent conferences between Counselor and parents establish a more thorough understanding of what is expected of the student.

BIGGEST EVENT OF THE YEAR: Snow on our campus.
